

Technical data sheet

Single push-fit clip

Item no. 2197812

These push-fit clips are used when installing cables and pipes on walls and ceilings and when running flexible pipes on concrete and in the screed. The single push-fit clips can be used instead of nail clips in concrete and aerated concrete. The advantage of the push-fit clips is that they only have to be pushed into the drilled hole. Anchors and bolts are not needed.

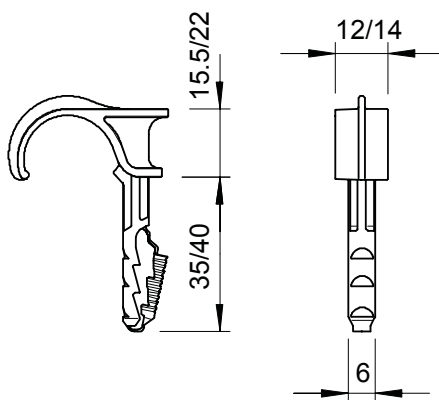

PA Polyamide

Master data

Item no.	2197812
Type	1974 22-30
Description 1	Plug-in clip
Description 2	single
Dimension	22-30mm
Colour	Light grey
RAL number	7035
Material	Polyamide
Material symbol	PA
Smallest sales unit (VG)	100 Piece
Weight	0,45 kg/100 pc.
